

Structure Fire Causes Extensive Damage in Arapahoe County

Arapahoe County, CO – Earlier this afternoon Cunningham Fire Rescue responded on a reported structure fire in the 4100 block of S. Jebel Way in unincorporated Arapahoe County. The initial call was received at approximately 4:50 pm. When the first units arrived on scene they were met with a large fire on the back side of the home. The fire had already spread up the exterior into the attic and then into the interior of the home. The damage to the home is extensive and it took approximately 55 minutes to extinguish the fire.

There were approximately 24 firefighters on scene. Cunningham Fire received assistance from the Aurora Fire Department and the Parker South Metro Fire Authority. At this time there have been no injuries reported. Fire investigators are on scene and will be working late into the evening to determine the cause of the fire. There were two occupants in the home at the time of the fire. The Red Cross is assisting the occupants with shelter and other needs for the night.
